**OFFERING 107 lots  
as 121 HEAD of  
REGISTERED CATTLE**

**LIMOUSIN & LIM-FLEX**

- 8 Herd Sire Prospects
- 82 Fall Bred Females
- 14 Spring Cow/ Calf Pairs
- 3 Embryo Packages

The Edwards Land and Cattle Family is excited and pleased to welcome you to our Annual Fall Production Sale. As usual the sale will be held down on the farm at our sale located at 314 Willard Edwards Road, Beulaville, North Carolina. We are extremely pleased to host you at our sale facility. We will be offering you some of the best quality genetics in the Limousin breed, along with very high-quality Lim-flex. At Edwards Land and Cattle, we are committed to producing the kind of genetics that will be useful and profitable in your operations.

As you are aware, we are a family operation that takes great pride in our cattle and would only like to provide you with quality Limousin, Angus and Lim-flex genetics that will work in any cattle operation. Our number one goal is to create a long-term relationship with our customers; therefore, we only provide you with our finest stock. All of our cattle sale under the standard guarantee of the North American Limousin Foundation. If you have any questions pertaining to any of the genetics or any other thing about our cattle, please feel free to give us a call. If you need financing or trucking arrangements, we will gladly assist you. If you are unable to attend, please feel free to call us or any of the sale management to assist you on sale day.

We will hold reception and cattle viewing at the sale barn on Friday night beginning around 5:30 PM. The Edwards Land and Cattle family will provide you with a down home southern barbecue on the day of the sale at 11:30 AM. The whole family looks forward to seeing you. If you need any help with directions or accommodations, please don't hesitate to give us a call.

## 2019 All-American Futurity Reserve Grand Champion Bull

- 2019 Eastern Regional Show Grand Champion Bull
- 2019 All American Futurity Reserve Grand Champion Bull

This 50% Lim-Flex herd sire prospect is one of the finest to ever carry and represent the ELCX prefix. He is a gorgeous red and homozygous polled son of MAGS Winston. Winston is now deceased but is still one of the breed's most popular sires in the business and this young bull is one of the reasons why. His dam is AUTO Poem and one of the featured donors for Edwards Land & Cattle Co. She is a daughter of SAV Bismarck and from the breed popular MAGS Phantom's Prize. Phantom's Prize is the dam of such breed greats as the once Triple Crown winning bull MAGS WLR Usual Suspect and countless others. AUTO Poem is the dam of the once All American Futurity Supreme Champion bull ELCX Bulletproof for Edwards L & C and Owen Cattle Co.

This young bull has such a bright future in the business. He is super sound made and very big footed and sound in his structure. We admire this young calf for his very clean and appealing front end, strength down his topline and gorgeous profile. He meets all requirements in design, structure and for sure his predictable pedigree. His wins in the major shows have already shown us how well received he has been with other bulls.

**Owned by Edwards Land & Cattle Co., FreeBird Farms, Hi-Lane Farm, Kendell Brothers, Bockenstedt Hill Top Farms**

Sire, Riverstone Crown Royal

Dam, AUTO Poem 273Y

These embryos are sired by the popular Riverstone Crown Royal. He is the highly syndicated sire TMCK Durham Wheat and from the Riverstone famed donor HSF Your Fantasy. Riverstone Crown Royal was one of the top selling bulls in Canada in year 2016 and his calves are highlighted here in this sale. He is owned by Stowers Limousin, Bridgeport, TX, P Bar S Ranch, Sand Springs, OK and Canadian rights are owned by Riverstone Cattle Company. He is not on the open market at this time and which makes his calves that much more appealing to most prominent breeders. Crown Royal just happens to be a full brother to the newly purchased herd sire for Edwards Land & Cattle Co., Riverstone Exodus as well as the breed's most prominent show heifer to ever exist in the entire breed, Riverstone Charmed. She is the leading donor for the Ratliff Family and partial embryo interest is owned by Stowers Limousin.

The mating of Crown Royal back on the proven AUTO Poem will have exciting results for the new owner of these embryos.

PBRS Audrey 346A is the dam of the 2106 All American Futurity Supreme Champion Female

PBRS Audrey 346A was a top purchase from our good friends at P Bar S Ranch, Sand Springs, OK. She is a daughter of MAGS Yip from a purebred Angus daughter of J Bar 7 Alliance 6869. Edwards Land & Cattle Co. have possession of this female and Davis Limousin, Brownwood, TX own embryo interest in this female. She is double black and homozygous polled and a 50% Lim-Flex female. She scanned a 4.450 for IMF and as you can see in her picture she is made as perfect as you would ever want one.

These embryos are sired by the deceased and very popular sire MAGS Wazowski. He is the son of DHVE Deuce from BOHI Red Robin. He is one of the all-time great sires that died way to early.

Sired by the Lim-Flex sire TMCK Cash Flow, a proven son of MAGS Ali and one of the finest in the business. He was mated to the matriarch ELCX donor, 170X.

EBFL San Jose 170X. She is a daughter of SAV Pioneer 7301 and from the GAR Predestined daughter, TMCK San Jose 170U. 170U is the \$60,000 half interest valued donor at Tubmill Creek Farm. 170X is the proven donor and one of the leading females in transplant for ELCX. EBFL San Jose 170X offers an amazing set of EPD's and is one of the very best ELCX donors!

ELCX Empress 752E ET is sure to 'impress' you and so much more. She is a homozygous black and homozygous polled daughter of JSAR Mr Titan 201PSB. Her dam is ELCX Twilight 114X, is quite the impressive daughter of DHVO Deuce. ELCX Twilight 114X was the 2013 Denver National Stock Show Purebred Champion Limousin Female. Twilight is known as one of the top purebred females in the breed. She produced the popular SSTO Best Bet herd sire. He's a son of SAV Hesston and is a favorite of many. This female ranks in the top 10% of the breed for birthweight and her marbling and milk EPDs rank in the top 15%.

This female is about as complete and elegant as they come. We love this one's overall design, length of body, smoothness of lines and how powerfully she hits you. ELCX EEEEE 751E ET is out of a Bon View New Design 1407 son, LVLS 3202U. She is homozygous black and heterozygous polled. She has an impressive milk EPD that ranks in the top 3% of the entire breed. So if you're looking for a maternal powerhouse of a female- look no further than here.

P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

This female is packed full of genetic excellence. ELCX Ealdian 71E is a daughter of the great WLR Game of Thrones bull and her dam is ELCX Zing 071Z. ELCX Zing 071Z is a MAGS Winston daughter from the impressive PBRS Xceptional 071X female. She is so well-designed and is super unique in her build. Striking is how we like to describe this one. She's free-moving, sleek-fronted and is super square in her hip. This female is equally as impressive on paper. We are confident this is a sure-fire donor in the making and one that will be an asset for many years to come. This female is double black and double polled.

PBR 7238E is another Riverstone Crown Royal female that deserves some serious attention. Moderate in her frame, but boy is she packed full of power and dimension. When you study this female, we're confident you'll fall in love with her style and her ability to move with incredible flexibility. She is homozygous black and double polled. We are confident she'll be a whale of a momma, but her milk EPD says it all. She is ranked in the top 2% of the breed for milk. This is the kind of female that will catapult your herd to the next level with style and build like this.

P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

This female is simply a tank. We've always admired how big boned and stout made this female is, but truly how she ties it all together in an elegant, maternal package. PBR 7242E is a daughter of Riverstone Crown Royal and from a Buford Emblazon Y92 daughter, P Bar S 452. We are confident she has all of the pieces to do some damage as a future donor female. It's hard to find females with this much depth of body and rib shape that are still feminine in their makeup. She ranks in the top 3% of the breed for milk. This female is homozygous black and double polled.

A.I. 12.14.18 to Riverstone Exodus (CPM 4088530) (H/H PB); P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

This female is so very sound in her structural correctness, soft in her pasterns and flexible off both ends of her skeleton. She is long and extended through her front end and is clean in her lines. For a female to be this stylish and complete, she's also super thick made down her top and when she's walking away from you. ELCX Elsee 520E is a homozygous black, homozygous daughter of WLR Game of Thrones. Her dam is the impressive HCC 616 Georgina 5204 female. Her marbling EPD ranks in the top 10% of the breed. Buy with confidence in knowing that this is a tremendous daughter of WLR Game of Thrones.

This ELCX Benchwarmer daughter is one to study in detail. ELCX Eleventh Hour 510E is homozygous polled and double black. This female is sure to capture your attention as soon as you set foot in the pen sale day. She is super long-spined, maternal in her design and stands on a beautifully designed structure. We love this one's femininity through her front one third and her ideal hip structure. She ranks in the top 15% of the breed for milk.

## MAGS Aviator DAUGHTERS

Sire of Lots 23 - 25, MAGS Aviator

P.E. 11.23.18 to 2.05.19 to Riverstone Exodus (CPM 4088530) (H/H PB); P.E. 3.20.19 to 8.15.19 to ELCX Benchwarmer 363D (LFM 2059017) (H/H 25%)

Another MAGS Aviator daughter that deserves your attention. ELCX Denali 451D ranks in the top 15% of the breed for both her birthweight and marbling EPDs. She is homozygous black and double polled. Her dam is HBRL Bashful 451B, an EXAR Denver 2002B daughter. This female has always impressed us with her style and production oriented look.

P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

Here is one of our favorite MAGS Aviator daughters. Aviator is such a phenomenal dual purpose sire and his offspring are some of our favorites. ELCX Eve 556E ranks in the top 10% of the breed for marbling. She is homozygous black and double polled. She is out of a COLE Windfall 144W daughter, LSTO Cookie 556C. We can't get enough of this female's neatness of lines and her big, soggy middle. She's super square out of her hip, adequately muscled and we love her smoothness of structure. From the time she hit the ground we've admired her commanding presence and her femininity.

15

P.E. 12.15.18 to 6.01.19 to ELCX Caesar 331C

This MAGS Aviator daughter comes from some of the best genetics in the breed. ELCX Deception is from a BC 7022 Raven 7965 female, WLR Cocoa Puff. This one is carrying on her mother's legacy and will pass it on to future generations. You'll want ELCX Deception in your arsenal of females. Don't miss this rare opportunity to introduce this pedigree into your herd. She is homozygous polled and heterozygous black.

## MAGS Xyloid DAUGHTERS

P.E. 11.29.18 to 2.18.19 to ELCX Campfire 508C (LFM 2095839) (P/HB 50%); P.E. 3.01.19 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

Here is a MAGS Xyloid daughter that exemplifies everything that he injects into his offspring. She's got a great look and will be super versatile in any breeding program. ELCX Elope 346E is out of an impressive MAGS Yip daughter, PBRS Audrey 346A. This female is moderately made and is great on her feet and legs. We admire her rib shape, neatness of structure and depth of body. She is homozygous black and double polled.

tot 28

P.E. 11.27.18 to 6.01.19 to ELCX Caesar 331C (LFM 2082808) (P/HB 56%)

ELCX Derby 428D is one to take a special look at. It's hard to find females this deep bodied and long spined. She is smooth in her design, level in her hip and flexible off both ends of her skeleton. This female is a statistical gem when it come to number profiles. She ranks in the top 4% of the breed for marbling and the top 5% for milk. Her dam, PCF Expectation Headtime 428 is a GAR Expectation 4915 daughter. She is homozygous black and double polled.

tot 29

P.E. 11.29.18 to 2.18.19 to ELCX Campfire 508C (LFM 2095839) (P/HB 50%); P.E. 3.01.19 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

This female is one of the finest individuals in terms of balance and broodiness. She is remarkable on the move and tracks with such comfortable confidence. ELCX Emy 340E is homozygous black and double polled. She is out of a MAGS Yip daughter, PBRS Amy 340A. If you're looking for a female to be a standout in your program, here's the one!

A.I. 1.30.19 to RLBH Days of Thunder (LFM 2120057) (HP/B 62%); P.E. 2.06.19 to 6.01.19 to ELCX Caesar 331C (LFM 2082808) (P/HB 56%)

ELCX Count On Me 398C is homozygous black and double polled. We have always had our eyes on this one since she hit the ground. She just has such a great look and is packed full of maternal power. This female is super sound in her structure and will blow you away when you lay eyes on her. She is out of a JCL Lodestar daughter, PBRS 389W.

P.E. 11.29.18 to 2.18.19 to ELCX Campfire 508C (LFM 2095839) (P/HB 50%); P.E. 3.01.19 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

ELCX Ebate 735E ET is homozygous polled and double black. She is out of SYES Best Buy 316B and from the great WLR Cocoa Puff female. Best Buy is a bull that sires offspring that come with all the characteristics to be sound, functional cattle. This female is flawless in her structure, deep in her center body and flexible off both ends of her skeleton.

P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

Here is a female that you won't want to look past. She is packed full of volume and thickness and she's great on her feet and legs. When this one is walking away from you, you'll admire how square she tracks. ELCX Eskew 160E is homozygous polled and double black. Her dam, MAGS Unlace is a BR Midland daughter. This female ranks in the top 10% of the breed for weaning weight and yearling weight.

P.E. 12.11.18 to 8.09.19 to ELCX Ethan 718E (LFM 2135456) (HP/B 25%)

When we think of maternal greats, this is one that often comes to mind. This is a phenomenal opportunity to tap into a proven genetic base of excellence. We admire how powerfully constructed this female is and her fleshing ability. ELCX Enchantress 291E is homozygous black and homozygous polled. She ranks in the top 5% for milk. Her dam is a GAR Predestined daughter, TW Bella 2919Y.

This is a female to really study in terms of production and efficiency. We've always been impressed with her look and functionality. OCCC 423D is homozygous polled and double black. She is ranked in the top 15% of the breed for weaning weight. Her sire is the proven TMCK Architect 031A. This female's dam, AUTO Madrin 423Z is a TMCK Balancer 173U daughter. Genetic excellence is the name of the game with this one.

P.E. 11.23.18 to 2.05.19 to Riverstone Exodus (CPM 4088530) (H/H PB); P.E. 3.20.19 to 8.15.19 to ELCX Benchwarmer 363D (LFM 2059017) (H/H 25%)

If you're looking for a beautiful, red female here she is. Complete in her design and flawless on the move, we are confident in this female's ability to make great ones. ELCX Dreamweaver 672D ET ranks in the top 15% of the breed for milk. She is a daughter of AUTO Lucky Strike 118B. Her dam is SBLX Unknown 104U, a MYTTY In Focus daughter and from the great MAGS Manuela female. This female is double polled. This cow power in this female's pedigree is what we have such confidence in. She offers tremendous potential from so many different aspects, but it's her look and pedigree that makes her so valuable.

A.I. 12.03.18 to HBRL GEN-ESIS 404B (LFM2046136) (H/H 50%); P.E. 11.27.18 to 6.01.19 to ELCX Caesar 331C (LFM 2082808) (P/HB 56%)

This is quite the impressively numbered female. She ranks in the top 3% of the breed for yearling weight and the top 4% for weaning weight. If you're looking for a female to flush and make exceptional cattle with, this is your cow. She is designed to produce great ones that are functional and efficient. Her sire is the EXAR Sundance 6216 bull. This female's dam, SPRNG CRKS Tada 7039T is a WULFS Leverage 9285L daughter. She is double black and double polled.

ELCX Zine 071Z ranks in the top 10% of the breed for marbling and the top 20% for milk. She is a MAGS Winston daughter from a GAR Predestined cow, PBRS Xceptional 071X. We appreciate so much about this female. She's got a great number profile and she's got the look of a great one. She has such a desirable build and a great structure. She is feminine through her head and neck and she's super level and square in her hip. She is double black and double polled.

P.E. 11.27.18 to 6.01.19 to ELCX Caesar 331C

Easy keeping, stout and attractive is how we like to describe this one. She is made just how females should be made. We are proud to offer her unique pedigree and valuable design. This female ranks in the top 3% of the breed for marbling and the top 20% for birthweight. She is a MAGS Winston daughter. DPBN 120Z is double black and double polled. You can take your program in any direction with the versatility of this female.

## Spring Cow/ Calf Pairs

Dam of Lot 86, EBFL San Jose 170X

Dam of Lot 87, SBLX Zane

PE. 5.09.19 to 8.09.19 to Riverstone Exodus (CPM 4088530) (H/H PB)

ELCX Dream Girl 669D ET is just that- she's one that you make dreams come true with. This female is moderate in her build, but boy can she profile with the best of them. When you get this one on the move, she's flexible and sound. She ranks in the top 10% of the breed for yearling weight and in the top 15% for weaning weight. She is a MAGS Zodiac daughter and from an SAV Pioneer 7301 daughter, EBFL San Jose 170X.

This bull calf is one that you'll want to study come sale day. When we think of an exquisite number profile on an individual- this is it. He is a chart topper for marbling, ranks in the top 4% for milk, the top 10% for yearling weight and the top 20% of the breed for weaning weight. ELCX Greg 669G is from a GAR Prophet son, Woodside Rito 4050 of OM3. He is homozygous black and homozygous polled.

PE. 5.01.19 to 8.20.19 to ELCX Campfire 508C (LFM 2095839) (P/HB 50%)

This female is one that we've always been a fan of. ELCX Center Fold 567C ET is an RLBH Air Force One daughter and from a powerhouse of a female, SBLX Zane. She is the MAGS Winston daughter of SBLX Underthecovers 201U. She ranks in the top 10% of the breed for marbling and the top 20% for birthweight. This female is heterozygous black and double polled.

ELCX Guinness 567G is a double black, double polled son of Riverstone Exodus ET. He ties together such power and mass already in such a young calf. We just love this guy's style and balance and we are so excited to see what is up ahead for him.

PE. 5.09.19 to 8.09.19 to Riverstone Exodus (CPM 4088530) (H/H PB)

Here is a total showstopper of a female. This is one of the best profiling females we've seen in a long time. She is elegant in her lines, soggy in her middle and powerfully muscled. ELCX Estella 367E is a MAGS Xyloid daughter from an MYTTY In Focus female, ELCX Bewitched 367B. She ranks in the top 20% of the breed for marbling. This female is homozygous black and double polled.

Here is one that has so much potential in front of him. We really admire this guy from a production standpoint. He is definitely following in his dam's footsteps - he's got such a neatly designed structure and a phenomenal profile. This bull calf is double polled and homozygous black. ELCX Gordo 367G is an ELCX Hindsight E667 son. We are so excited to see what this guy is capable of when he goes into production.

ELCX Cadillac 074C is such an impressive daughter of WLR Reload. This female's dam, EXLR Miss Darcie 8074Y is an EXAR Titlelist T011 daughter. Where this female truly excels is in her soggy build and maternal design. She is long bodied, flexible off both ends of her skeleton and strides with so much ease. She is double black and her weaning weight ranks in the top 25% of the breed. This is the type of female you can go places with and take your program to the next level.

ELCX Gregory 074G is a double black, double polled son of ELCX Camp Fire 508C ET. This bull calf is one to study on sale day. We are so excited about this bull calf's neatness of lines, depth of body and rugged structure. He has all the pieces to make a great herd sire prospect in the future. Don't pass up the opportunity to have these quality genetics and superior phenotype in your pastures.

ELCX Aaliyah 453A is a CALO Brickyard 902W daughter from the MAGS Skyline female. We just can't say enough about this female. She is super pretty in her pattern, big bodied and flexible off both ends of her skeleton on the move. When this one stops on the profile, she'll take your breath away. She is homozygous black and homozygous polled.

This heifer calf is out of ELCX Delta Force 603D and one that we know has a super bright future ahead of her. She ranks in the top 20% of the breed for marbling. Owned by Jensen Barwick, Seven Springs, NC

## ELCX Diann 210D

91

PE. 5.02.19 to 8.20.19 to ELCX Caesar 331C (LFM 2082808) (P/HB 56%)

ELCX Diann 210D is a PBR Add It Up 3120A daughter that is double black and double polled. Her dam is an EF Main Stay 541M daughter, GPF Gabriella. We admire the ability of this cow to raise efficient, attractive individuals. She is more moderate in her frame, easy in her condition and so well designed. She is great from any angle and has impressed anyone that lays eyes on her. This female is one that you'll want to put into production in your pastures.

ELCX Glinda 210G is a heifer calf you've got to check out sale day. She has a tremendous build and such a flashy look. This heifer has so much potential in her future. She is a daughter of AGRI Chairman 1C ET, an EF Xcessive Force son. She is packed full of genetic excellence and is sure to follow closely in her mother's footsteps to be a tremendous female.

This brood cow is high quality-she's stout featured, deep bodied and performance oriented. She is relaxed in her pasterns, long strides and super flexible off both ends of her skeleton. We just love her brood cow look and pattern. ELCX Cee 142C is a MAGS Xyloid daughter. She is double black and double polled.

Here is a bull calf that has herd sire prospect already written all over him. He's got such a great presence and structure that will serve him well in the coming days. ELCX Gregg 142G is an ELCX Camp Fire 508C son. He is double black and double polled.

ELCX DOTTED 41D

PE. 5.01.19 to 8.20.19 to ELCX Campfire 508C (LFM 2095839) (P/HB 50%)

Here is a female that has been a favorite of ours. She is sound structured, soggy made and clean through her front one third. ELCX Charming 836C is a homozygous polled and double black daughter of ELCX Postmaster 208Y. She ranks in the top 25% of the breed for yearling weight. This female's dam is MAGS Upper Saunter, an LH Rodemaster 338R daughter. The structural integrity that this female possess will keep her in superb condition to produce some great ones up ahead.

This is a super stylish, high quality heifer calf. She is oriented to be a great producer one day. We love her lines, length of spine and her sound structure. ELCX Glory Girl 836G is a homozygous polled, double black daughter of VL Daytona 603D. If she's half the cow her mother is in the future, you'll want to be sure to get this one in your program!

PE 5.14.19 to 8.15.19 to AGRI Chairman 1C (LFM 2092429) HP/B 75%)

This female is super unique and flashy in her design. We challenge you to find a female that has this look and cow power all in one package. She is packed full of rib shape, super attractive in her front one third and she tracks with great confidence. ELCX Dotted 41D is double black and double polled. She is a MAGS Xyloid daughter from an SAV Pioneer 7301 female, APLI Rumor 41Y.

ELCX Gina 41G is such an impressive heifer calf. She is a double black, double polled daughter of Riverstone Exodus ET. We really admire this calf from every angle. She profiles so well and is a show stopper among her contemporaries. She is great hipped, level in her spine and she does not disappoint when you get her on the move.

PBRS Amy 340A is quite the impressive MAGS Yip daughter. When we think of brood cow power, this is the female that is always on our radar. She is super in her lines, smooth bodied and great on her feet and legs. This one's maternal ability will keep in her in production for many years to come. She is homozygous black and homozygous polled. Her birthweight EPD ranks in the top 20% of the breed.

Here is a homozygous black and double polled son of PBRS Add It Up 3120A. ELCX Graded 340G is a bull calf that deserves your attention. We admire his build and the flexibility this calf has when you set him in motion. He is one that you'll want to invest in and have servicing your pastures one day.

# ELGX

Edwards  
LAND & CATTLE CO.

If purchasing a bull is NOT an option for you at this time then the Edwards Family are offering a bull lease program. The agreement is at the end of the sale, you can pay 25% of your bid purchase price with a (minimum of \$800). This pays for a 90 day lease on the herd bull. After 90 days of using the bull if not returned to the the Edwards operation then you will be charged \$5 per day. If the bull loses more than 200 pounds while in your care, a \$1 per pound for each pound over 200 pounds will be added to your cost. It is the responsibility of the lessee for all transportation/ hauling of the bulls.

For further details, please feel free to contact ...
