Safe bred from 5.29.20 - 8.02.20 to ELCX Fully Royal 451F (LFM2279028-75% Lim-Flex, double polled, homozygous black son of Riverstone Crown Royal son)

ELCX Galaxy 417G is a 40% Lim-Flex female daughter of ELCX Caesar 331C, a son of RLBH Air Force One and PBRS Alice 331A. ELCX Caesar 331C sired the 2017 North American International Livestock Exposition Grand Champion Limousin Bull bred and exhibited by Camron Bryant as well as the 2018 NAILE Reserve Champion Limousin Bull bred by Cameron Bryant and exhibited with Owen Cattle and Freebird Farms. RLBH Air Force One is the EF Xcessive Force x EF Yaffa 821Y son who continues to sire progeny that top the sale charts and dominate in both the show ring and in production. This female's dam is PBRS Brissa 4179B, a daughter of the big-numbered EBFL Ypsilanti 420Y and from an impressive Angus female, Sedgwicks Princess 4972. On paper, ELCX Galaxy 417G ranks in the top 15% of the breed with a marbling figure of 0.40 and in the top 30% for weaning weight. She is homozygous black and double polled. We appreciate this female's symmetry, powerful rib shape and depth of body and her stoutness of hip. She is good featured, neat necked and exhibits such longevity in her structural makeup. She's put together just right and has all of the ingredients to be a top-end producer in your program!

ELCX Gracie 361G is a 75% Lim-Flex daughter of VL Daytona 603D worth setting your 'sights' on! VL Daytona 603D is the powerful son of Alter Ego that goes back to EF Xcessive Force. This female's dam is ELCX Bellflower 361B, a MAGS Xyloid daughter out of the highly productive MAGS Tapestry female. She is homozygous polled and homozygous black. She is a more moderate-framed female, but boy does she pack a punch of cow power and doability. This female is strong in her top, smooth in her lines and articulate on the move.

Safe bred from 5.29.20 - 8.02.20 to ELCX Fully Royal 451F (LFM2279028-75% Lim-Flex, double polled, homozygous black son of Riverstone Crown Royal son)

What an intriguing bred female from the powerful RLBH Air Force One sone, ELCX Caesar 331C! ELCX Genny 123G is a 59% Lim-Flex out of ELCX Attention 123A, a MAGS Winston daughter. On paper this female ranks in the top 25% of the entire breed for both her birthweight figure of -0.2 and her marbling figure of 0.33. When you look at this female she is huge middled, explosive in her rib shape, incredibly elegant through her front one third and level in her hip design. She has a comfortable flex to her pastern, she's big footed and moves with a tremendous amount of flexibility off both ends of her skeleton. She is double polled and double black.

Safe bred from 5.29.20 - 8.02.20 to ELCX Fully Royal 451F (LFM2279028-75% Lim-Flex, double polled, homozygous black son of Riverstone Crown Royal son)

This ELCX Caesar 331C daughter will catch your eye instantly! ELCX Galaxy 343G is a total smokeshow. She's easily one of the most beautiful profiling females in this lineup and she's as feminine as one can be. She is a 53% Lim-Flex female that goes back to the legendary DHVO Deuce 132R, EF Main Stay 541M and SAV 8180 Traveler 004 on the bottom side of her pedigree. This female is long and extended through her front end, bold in her rib shape and near-perfect in her structural makeup. She ranks in the top 15% of the breed for her marbling figure of 0.39. The caliber of offspring this female has the potential to create is exciting, especially with the added marketability she brings to the table phenotypically and genetically. She is double polled and double black.

This is by far the crowd favorite female of this lineup. ELCX Good Day 511G is an 81% Limousin female sired by ELCX Draft Day 395B, the powerful MAGS Xyloid son. Her dam is TMCK Tranquility 511Z, an AHCC Westwind W544 daughter out of MCBN Tranquility Brown, an AUTO Dollar General 122R x Carrouseles Pina Colada female. She ranks in the top 30% of the breed for her yearling weight, milk and total maternal figures. She is expressive in her muscle shape and dimension, smooth in her lines and ultra good in her structural design. She's long in her skeletal makeup and when she's on the move lookout- she's incredibly comfortable off both ends of her skeleton, takes a long, confident stride and has such flex to her pasterns. She's picturesque in her build, ultra soft in her angles and has that elite donor female look about her. She is homozygous black and double polled.

Herd Sire Prospects

AUTO Poem 273Y, dam

ELCX Hemingway 024H is sired by MAGS Winston and out of the great AUTO Poem 273Y female. Neither of these individuals need any introduction. MAGS Winston is a BT Crossover 758N son out of MAGS Strawberry, the EXLR New Generation 071M female. This bull's dam, AUTO Poem 273Y is a daughter of SAV Bismarck 5682 and out of the great MAGS Phantoms Prize donor. The quality runs generations deep in this pedigree and now is your opportunity to further the reputation of these prolific cow families with this powerful herd sire prospect. On paper he ranks in the top 10% of the breed for his birthweight figure of -1.3. He also ranks in the top 30% of the breed for his weaning weight and yearling weight figures. From a phenotypic standpoint, he is superior in his phenotypic design. He's level in his top, huge through the center portion of his body and extremely cool fronted. We admire this bull's athletic ability and his sound structure. He is 50% Lim-Flex, homozygous polled and heterozygous black.

BW: 75 lbs.; WW: 707 lbs.

Embryos

We are proud to offer this genetic mating and are confident you'll be thrilled with the outcome. AUTO Poem 273Y has evolved as our premier donor female when it comes to generating elite individuals with notoriety from a genetic standpoint as well as extreme phenotypic quality. She has raised a handful of All American Limousin Futurity Grand Champion bulls along with countless females that are highlighting many programs today. She is a daughter of SAV Bismarck 5682 and out of the renowned MAGS Phantoms Prize female. The sire in this futuristic mating is HWCB Eye of the Storm 406E, raised by Cameron Bryant. Together, they had tremendous show ring success as the 2017 Tennessee Limousin Breeders State MOE Grand Champion Bull and most notably garnered both the 2017 North American International Livestock Exposition Grand Champion Limousin Bull and the 2018 North American International Livestock Exposition Reserve Champion Limousin Bull titles. He is sired by ELCX Caesar 331C and out of a MAGS Xyloid female, FBFL Princess Kate 406C. These embryos have the potential to make a huge impact in the future of your herd. Now is your opportunity to gather these proven, consistent genetics and exploit them in your operation for continued success!
